NECCUM Scholarship Announcement

The NECCUM Council of Presidents announces the establishment of five (5) NECCUM Scholarships for the 2009-2010 academic year. The focus of the scholarships is to recognize the academic achievement of students moving from NECCUM two-year institutions (Marian Court College, Middlesex Community College, Northern Essex Community College, North Shore Community College) to full-time study at NECCUM four-year institutions (Endicott College, Gordon College, Merrimack College, Montserrat College of Art, Salem State College, UMass-Lowell). Each scholarship is worth \$2000 per academic year.

These scholarships may be renewed for a second year if established academic criteria are met. To renew the scholarship for a second year, the student must continue full-time enrollment, be making satisfactory academic progress, and submit a copy of their transcripts to the administrator at the end of the spring semester.

Application Requirements:

1. The student must be presently or must have matriculated in a NECCUM two-year institution within the past 12 months and be accepted for transfer as a full-time student to a NECCUM four-year institution.
2. The student must be on schedule to successfully complete the course of study at the NECCUM two-year institution during the 2008-2009 academic year, having completed at least half the credits at the NECCUM institution.
3. To apply, students must submit a letter of interest stating:
 - Why s/he wants to attend the NECCUM four-year institution.
 - The planned course of study.
 - The Grade Point Average earned at the two-year institution.
 - Any civic or college activity participation (community service).
 - Goals for the future.
4. Students must also submit three letters of support from faculty or staff from the two-year institution and an official transcript from the two-year college.

All materials must be submitted by June 5, 2009 to:
